LEGO® Education,
PERFECT &
Tazewell County / Area
Education for Employment

Proudly Present:

Inspiring & Developing the Builders of Tomorrow

Join us for an engaging, hands-on workshop focused on bringing robotics to life in elementary and middle school classrooms. Discover how the LEGO® Education building experience can help students learn STEM concepts and applications, while developing their 21st century skills.

What: Hands-on workshops that will cover creative ways to engage students in science, technology, engineering and math.

Who: Open to elementary and middle school educators (including principals, teachers, administrators, and more).

One session for grades K-4 and one session for grades 5-8

WHEN

March 17, 2022
8:15 – 3:00

WHERE

Illinois Central College
North Campus
5407 N University Street
Peoria, IL 61635
