**8:30 am—11:30 am**

**East Peoria  
Firefighters'  
Training Facility**

This career day encourages students to seek high-skilled, high-demand, high-wage careers in Fire Science and Emergency Medical Services. Students will rotate through the East Peoria fire station, training facility, and classrooms talking with firefighters and learning first-hand what a day in the life of a firefighter is really like. Learn what you can do to enter this noble profession!

Registration is open to ten students per school. Watch for a registration email from your EFE. Space is limited so register your juniors and underclassmen by November 10! Face masks will be required.
