

Construction Pathways

# CAREER EXPERIENCE

March 31 • Birchwood Park - Morton, IL

SkillsUSA Illinois, through an innovative partnership with the Otto Baum Company, Inc., is excited to offer the first Construction Pathways Career Experience. Focused on and opened to schools in Central Illinois, this Career Experience will bring together construction employers across the region who are all focused on and interested in hiring young, talented individuals.

The goal of this annual hiring event is to connect students who are ready to enter the workforce with industry who are ready to hire.

## SCHOOL INTEREST SURVEY

To indicate your school's interest, complete the interest survey at [bit.ly/cpce-si22](http://bit.ly/cpce-si22) by February 3.

Please note, this is an indication of interest, not a commitment. A finalized schedule and registration instructions will be shared soon.

## CONNECT WITH EMPLOYERS

Interact with a robust group of employers in the construction industry to learn about employment opportunities, current industry needs and trends, and position growth pathways available for future professional success.

## DEVELOP EMPLOYABILITY SKILLS

Attend workshops and complete activities to deepen your understanding of the personal, workplace, and technical skills needed within the construction field. Activities on site will be interactive with prizes available for those who participate.

## BUILD A PLAN FOR THE FUTURE

See first hand what you can do to set yourself up for professional and personal success. At the event, you will be provided the resources and learn about pre-apprenticeship and apprenticeship opportunities to build a plan to reach your career goals.
